“ Jennifer was always so positive and had such an infectious laugh. She beamed with pride when talking about her children, whom she loved with all her heart. She was a joy to know and I will miss her so very much.

“ I just learned of Jennifer’s passing tonight. Jennifer was on our board of directors at SARC (Support, Advocacy & Resource Center). I really enjoyed working with her. I knew when she left that she had some kind of medical concern but didn’t know what was wrong. She was so conscientious and made sure she had another person she worked with apply to the board as she felt bad leaving. Jennifer will obviously leave a huge void in her loved ones life. I’ll be praying for all of you.

“ I don’t even know what to say. I’m sooooo sorry for al of you, for your loss. I worked with Jen way back, at the bank, Sterling Savings Bank. She is one of the most wonderful, kindest people I have ever met. This breaks my heart.

“ Jennifer and I first meet while working at Sterling Bank (Umpqua) we both volunteered to help at a fund raiser for Junior achievement (Hogs & Dogs). We sure had a lot of fun that day selling raffle tickets. She will be greatly missed by all that knew her.
