“ *Big Jerry was a wonderful man.
He was a great friend of my family as I grew up...
I have many great memories with him. I LOVED him as though he
was truly an uncle
One of my favorite memories with him was when I was spending
some time staying with his family as a little girl.. We kids had given
Mary a hard time all that day, not minding. She had threatened to
tell Jerry when he got home..
And suddenly I hear Big Jerry's voice.
He was calling us kids down from upstairs..(I just knew we where
all about to get spanking.) I was EXTRA terrified!!!!!! The thought of
how hard his spanking would be. Over shadowed how afraid I was
that I'd get another spanking from my dad when I returned home.
Which normally was my biggest concern.
As we, (boys first) came down the stairs, there stood Jerry & Nancy
with serious faces. And Jerry asking what had we all been doing
today.. I can't remember If I was able to studder out a reply.. All I do
remember is:::: I was so scared.. Thought my heart would stop..
Guess he realized the terror in my eyes & he couldn't keep the stern
look on his face long. They then told us to come on we were going
for ice cream.*

*His memory will live on in the hearts of the many
people whom he had touched with loving
Heart & gental hands.*
