“ Joan was a dear friend and co-worker of my grandmother, Dorothy Newton. I remember Joan from the YMCA. She was always kind and didn't mind my brother and I running through the offices and asking to "help" with the mail machine. I know my grandma really appreciated her friendship.

“ Dearly loved Joan and Roy. Joan welcomed me into the YMCA and shared its rich history with me. I remember Joan volunteering Roy to help me learn to shoot a pistol - We had a great many adventures together- not always at the Y. She always shared stories about her children and grandchildren - she was so proud of them and then the Dogs. We shared plenty of stories about our fir babies too. Joan was a great friend and mentor..
