“ Dear Roeter Family;
I remember when my sister died and Joan went out of her way to send the best chicken casserole to us. I thought how thoughtful and kind that was. So I am paying it forward Lisa be ready casserole coming your way. Your Mamma has taught all of you well. I haven't met a Roeter I didn't like. She was so quiet and pleasant to be with. Only when they are gone do you wish you had one more moment to let them know how special they were. Joans kindness and class will never be forgotten. Thank you for sharing her with all of us.

“ Aunt Joan will always have a special place in the hearts of our family for the support she gave to us when we were fighting the battle with Nikki's cancer. Her cards and flowers always seemed to arrive at the time when we needed a note of support and the smiles her flowers provided. We thank Joan for being such a loving and caring person and the Roeter family for sharing her with us.

“ *Mrs. Roeter was so kind to attend our Mother's last birthday. Her kindness impressed us in such a time of challenge. Growing up with the Roeters and all the families at St Joseph's was something we'll never forget. We Lynch Children have made a donation in her honor to the Ronald McDonald house. God Bless her family.*

I will miss Aunt Joan. She was always kind and thoughtful of others. She kind of balanced out the rest of us strong-willed, opinionated members of the family! I am praying for all of you. I know it is tough to lose a mom, no matter how sick she may have been or how full a life she lived.
