Joanne and I were members of the same church and she used to be on the church fellowship team years ago when I was chairman of the team. I enjoyed her so much. She was a beautiful, classy lady whom I always admired. I was so sorry to hear of her passing.

Joanne and I met when I worked at Curves a women's fitness establishment that use to be open here in Wenatchee. She was always cheerful and just a pleasure to be around. She always made my day brighter but just being herself. That smile was a million dollars. She rarely left the gym with out giving me a hug.. I was truly blessed to have known her.
