

Joel Davis

April 28, 1973 - September 21, 2024

Joel Leonard Davis, 51, a past resident of the Chelan Valley, passed away peacefully after a struggle with cancer on September 21, 2024. He was surrounded by his family.

Joel was born in Sheridan, Montana on April 28, 1973, and spent his younger years in Bozeman and Big Timber, Montana, before his family moved to the Chelan Valley. Joel graduated from Chelan High School in 1992. He had a deep love of nature and the outdoors and went on many adventurous hiking, hunting and ski trips with family. Joel lived and worked in Stehekin in his early 20's, which was one of his favorite places. He was a kind and generous soul who loved helping others, which led to work in the medical field. Joel worked at Lake Chelan Hospital, Regency Manor in Chelan, and Cascade Medical Center in Wenatchee. Joel later took a job commercial fishing in the Bering Sea. He spent the last portion of his life in Yakima, working for Walker Bay Boats and as a landscaper.

Joel is survived by his parents, Lee Vonne Forney and Carl Davis; his stepfather Michael Forney; his grandmother, Mary Davis; his brothers, Jason and Nathan Davis; sisters, Kelly Baraibar and Rae Bonnie Davis; his children David Davis, Kyla Chavolla, Maria Chavolla, and Maya McDonald.

Joel's spirit will live on in the hearts of those who loved him and in the wild places he cherished. Joel was a beloved son, father, brother, uncle, cousin, and a friend to many.

“ Joel was one of my best friends for almost 20 years. He was always willing to help me out with anything at any time. Knowing that i could always count on him really means a lot to me. Loyalty is hard to find these days. I'm going to miss his sarcasm and his contagious smile. My heart goes out to his family and friends. We all lost a little light in this world.
