“ I can remember as a small child how much time I spent with Johney and the kids. My grandmother Josie was his sister. There were many occasions when Christina and I were playing together and he would say Girls stay out of trouble, then he'd wink. He always had a hug and a smile for me and I enjoyed the stories he told me when I was young after my grandma died. His stories made the pain a little better everytime I heard one. We'll miss you Johnney, Im sorry we didnt see eachother much over the last few years but I will always remember your smie, your hugs and most of all the love you showed our family even when we were having the most messed up fights and court battles. You never took sides and still loved us all equally. TY for that. Love you always...Shy
