“ Marie, the Sollom family loved you and John the first moment we met. Our shared connection to Michelle was a wonderful, shared blessing! Dan, Denese, Kaley and Brady are saddened by the loss of John. He was a phenomenal man and we were so glad we were able to know this outstanding individual! May God be your strength and your shield as you go forth. We love you so!

“ Dear, sweet Marie, My family is so sad to hear of John's passing. He was an amazing man. I knew from the very first time that you two came to our home that I had found two unbelievably amazing people to be a part of our lives. My children, husband and puppies knew and understood that as well. You two were quite the team, you so complimented one another. One story that John shared with me the last time he visited was about his mother and her wise words to her son before he entered the service. Her request to her son was not to get a tattoo. John of course honored his mother and never got a tattoo. Thank you John for serving our country, honoring your mother, and for providing your expertise in the painting field. You will be missed by many, many people that love you and Marie. Diane Holman
