“ *John Paul was my third nephew. I was the single aunt for awhile and my nephews were very jealous when I did marry. John was an outgoing child who seem to always find trouble. He would know he would get into trouble when he did something he shouldn't , but he would do it anyway. For whatever reasons he had, John cut ties with his family. I am thankful to the Lady who called us and let us know of his passing. I pray he found peace and happiness in his life. To his family, if we can help please let us know, 509-758-3558. John, you were and are loved by many. Aunt Carol*

“ *John Paul was my second nephew. His mother and I are sisters. We were both expecting at the time, she wanted a girl and I wanted a boy. Eight days before John was born I had a girl so of course she had my boy. He was always my boy until his mom passed then he cut all ties with the family. We never knew why but am sure he felt it was the thing to do. He has left a number of people who loved him. I will grieve for him as if I saw him today. To his family if there is anything we can do please call 509-758-7447 Love Aunt Bobbie*
