

## John E. Gunn

May 3, 1928 - May 13, 2018

John Eugene Gunn a long time resident of Wenatchee was born to his parents John “Jack” Edward Gunn and Grace Francis Vangilder in Kellogg, ID on May 3, 1928. He passed away at the age of 90 on May 13, 2018 at home in Wenatchee, WA.

John had a life well lived.

He worked for Alcoa for 37 years, as a metallurgist, moving his family to several cities in the country until moving back to Wenatchee in 1970 and finally retiring May 1989.

John was a prolific reader and talented writer where he wrote many stories of his adventures growing up in Kellogg, and travels with his wife, Maude, to various countries around the world. He also wrote the yearly Christmas newsletter that friends and family members looked forward to. His written legacy will continue to be enjoyed for many family generations.

John outlived all four of his siblings and is survived by: his wife Maude, married 65 years; their three sons, Stephen (Jeanne) of West Richland, Paul (Tani) of Manson, James (Denise) of Bellingham, WA; his 7 grand-children Stefani, Aaron, Amanda, Joshua, Heather, Jonathan, and Jian; and 6 great-grand-sons, and 1 great-grand-daughter.

A private family service will be held at a later date.

The family thanks hospice for their loving care for John's last months.

In lieu of flowers, please donate to your favorite charity in John's name.
