

## John "Johnny" Cox

March 15, 1950 - April 10, 2015

John "Johnny" Franklin Cox passed away peacefully into the arms of his Lord and Savior Jesus Christ on April 10, 2015, in East Wenatchee, WA. John was born March 15, 1950, to Glen Savelle Cox (deceased) and Carol Irene Hedding (deceased). He attended school in Entiat, WA and Oroville, WA where he graduated from high school in May 1968. He attended college at Shoreline Community College and shortly thereafter was drafted into military service. He honorably served in the United States Marine Corps to include the Vietnam War. The majority of John's working career was in the automobile industry where he actually made buying a vehicle an enjoyable experience. He had a way with people, which usually lead to a car being sold and a new friend being made. He enjoyed many hours of hiking, hunting, fishing (no kidding he really caught the "big ones"), and his biggest love of all golf. Married 3 times in his lifetime, but John would have been the first to admit his favorite was by the name of Cindy.

John is survived by his loving family of three sons Joseph Cox (Christy), Kevin Cox (Tasha), and Kyle Cox (Apryll); his grandchildren Joie Cox, Kaylee Cox, Ashton Cox, Olivia Cox, Emma Cox, and Athena Cox; his brother Charles Cox (Carol) and sister Pennington "Penne" Parsons [Cox]; and nieces and nephews Charlie, Jonathon, Christina, Haley, Mandy, and Kaitlen.

Memorials can be made in John's name to the Disabled Veterans

Administration and St. Jude Hospital. A private memorial service will be held. Please express your thoughts and memories on the online guest book at [jonesjonesbetts.com](http://jonesjonesbetts.com). Arrangements are by Jones & Jones-Betts Funeral Home.

“ I'm so very sad and heartbroken that Johnny has passed and on the same day as his cousin Jim Travis. We have great memories on Hedding together and at the Tye Ranch. He had a great smile and a big heart. I love and miss you.

“ I went to school and graduated with John Cox. We had been friends ever since his family moved to Oroville. From playing "cars" in the dirt, being in band together (he played the trumpet, I played the drums) and then graduation. When my son was playing high school basketball, we kind of re-connected, as one of his boys also played. We visited at quite a number of games. John called off and on throughout the years, last time must have been maybe 7-10 years ago. He was in Oroville fishing. Unfortunately, we had plans and didn't get to visit except by phone. That was the last time we talked. Sad to learn about his passing. I hope that John is finally at peace. Condolences to his family. Kathy Monroe Jones, Oroville
