“ *Best OB Doctor ever!*

Delivered my last girl (3rd) at the Old St Anthony's Hospital (Christopher House) almost 50 years ago. I was disappointed it was a girl and DR Manhart said he had 5 boys and I tried to get him to trade me one for the girl. We all had a good laugh!

Seems like just yesterday!

My condolences to the entire family.

“ Dear Boys and Family,

We are up in Kelowna this weekend for a Rotary District Conference. It was through Wenatchee Rotary that I first met John and developed a close friendship. He and Delores were tremendous entertainers; we learned a lot from them.

John had outstanding leadership skills and used them generously in our community via Rotary, Chamber of Commerce, Applearians, Scouting, and Apple Blossom Festival.

I was very fortunate to have John play a "key role" in my first legislative campaign as the Finance Chair.

Lastly I would say that John had outstanding wit and wisdom that you all know best of all.

Sincerely,

Earl and Barbara Tilly
