“ Sincere condolences to John’s family. Cordell, Weinstein and Griffiths was my first place of “real” employment after graduating from college in 1982. It was the best learning experience one could ask for. It was always enjoyable to run into them years later and just visit on how life was going.

*John was a very nice person. I remember his family at the fashion shop. Where I got my wedding dress years ago. Lovely family. I worked at the Wenatchee Golf and Country Club in the office. John was very helpful and helped me with taxes etc. . Such a nice person. I am truly sorry for your loss. He will be missed. Carol Clark Cook.*

*“ I first met John when he was just a young boy in 1961. I had just started working for his mom, dad and grandma Ida. I would on occasion baby sit John. He was a delightful young boy who grew up to be successful. It was my pleasure to know him and his family. My prayers for all the family.*

*“ I want to send the family and friends of John my condolences and feelings of sadness with his passing. As a young freshman entering the University of Washington he was a great recruit for the Sigma Alpha Epsilon fraternity(SAE). Very bright, personable and genuine right from the start and all through his life. John made many life long friends at SAE who are still important in his life now. A man of integrity and good values he was admired by all who knew him. His family, friends , and clients share in our collective loss. Our memories will stay forever. Fondly, Gregg Rule*
