“ Oh Jameson, you kept the life of the party! I'll never forget first meeting you and months later finding out your name wasn't Jameson but rather Jon. You and Yell and your crazy Shennanigans were always so much fun to be around and be a part of! I will forever remember them, and am blessed to have known you! You were taken too soon from everyone! R.I.P!

“ Danielle & Family,  
I've known Jon for nearly 15 years. We met freshman year at OIT and remained in touch through emails, letters (yes, snail mail when he was deployed in Iraq) and Facebook. I am glad I had the opportunity to catch up with Jon and Danielle a few weeks ago when they were visiting Spokane. Jon was honestly one of the sweetest people that ever came into my life, and there will always be a hole in my heart now that he is gone. He will live on in my memories, there were so many good ones! Love and healing for you as you move through this difficult time.

“ Jon, I know we didn't work together long, but the interactions we  
had were always great. Hebrews 12:1, "Therefore then, since we  
are surrounded by so great a cloud of witnesses..." I know you will  
FOREVER be looking down from Heaven over your family and  
friends with a love we desire to experience. May we always do the  
things that make you roll with laughter and please never stop  
declaring God's love and will over us. Until we meet again!

“ What a great guy... So sorry for the loss of his genuine spirit. I only  
knew Jon for about a week, and during that time he left an  
enormous impression on me. So helpful, considerate, and down to  
earth... He will be missed by so many in the FS. Healing prayers to  
the family, and Peace to all who knew him. ~Jamie

“ Moving to a new town far from my family was a difficult experience  
for me; I will always remember Jon's kindness in helping me move  
my mattress to my apartment. Even though we weren't close  
friends, he was there for me when I had work issues. I really  
appreciate him and will miss him.

“ *My husband Ron and I met Jon last Sunday morning when he stopped by our home with a mutual friend. Ron had retired from the Forest Service where he worked with the engineers and he really enjoyed talking with Jon about the work and people they both knew. We found him to be a delightful young man and want his family to know we so enjoyed him. Our sympathy to all his family and the many people who we are sure loved him. Carolyn and Ron Barnes*
