“ Mike remembers when Joe and George Roberts towed our busted VW van home from Snoqualmie Pass. Mike was steering it (no front window). We loved your kids, Mark and Janiece in our youth group. They kept us seeking answers from God with their sincere, quality questions and desire to press on to know God. Joe and Faye were such great supporters of the youth group that we "led". Mark and others planned a hike for the youth group that was 16 miles in one day to Chiwaukum Lake (just about killed the youth leaders!). We have since taken your fanning of our faith to the Okanogan in various ways, including a hike, youth groups, marriage groups, Bible studies, kids' ministries and continue to realize we need to draw closer to God. "for we look at the things which are not seen which are eternal" (2 Cor 4:18)

“ Dear Family: I was delighted when "Mr Davis" walked into the clinic where I worked. I did his patient teaching and was walking him out of the department, when, like a bolt of lightning, his demeanor, voice, gentleness and name all came together--he had been my junior high math teacher at Quincy Jr. High. It was sweet to have him in my space once more. I was blessed to have him in my life as a painfully shy Jr High student and again after the skills he taught me had been processed and used to enable me to be an RN.

“ Your family is in our prayers. Joe was a great friend to my Dad, as well as being his cousin. We always enjoyed when Joe and Faye would come for visits in Indiana. Joe was a wonderful, kind, and interesting person. --Teresa (Allison) Cummings
