“ *Joe,  
I wish I had the chance to say goodbye... I am so happy I was able to get to know you while you were at Bonaventure. I remember every morning you would get up and talk to the gals over morning coffee while they hurried around getting everyone ready for the day. Oh how I am going to miss you. And I can't forget about you and your hats! You always had a hat on and it was usually that plaid golfers hat :) My prayers are with your family.
