“ *Juanita Cummins was my aunt. She was artistic, musical & had the most incredible sense of humor! I loved listening to her stories of her growing up years. I loved when she would come to the east coast to spend time with her sisters (my mother being one of them). Aunt Nita would play the piano & we would all sing beautiful old hymns. Aunt Nita was the 5th of 6 children born to the late Samuel B Bowman & the late Miriam Juanita Lindsey Bowman. None of her immediate family members lived as long as she did - speaks volumes for her tenacity & spunk! I miss our phone conversations, especially talking about how great our God is! It is sad that her family members on the east coast were not made aware of her move to the nursing facility or informed of her passing.*

“ *I will miss her stories, her memory was long, very long. She was a bright light for me and I miss her dearly. Go Rest High on that Mountain Juanita!*
