

## Judy Lynn Rivers

February 6, 1941 - October 27, 2013

### Judy Rivers

Born Judith Lynn Schreiner, this wonderfully generous woman finally joined her precious son on October 27, 2013 when he welcomed her to Heaven. She is survived by her husband Scott, three brothers, children, grandchildren, great-grandchildren, nieces and nephews, and so many that she brought under her roof when they needed help.

For nearly the last 50 years her interests and love was in the outdoors, anything outdoors. Perhaps her first love was horses . . . she likely wished she was that Wild Mustang, always free, always looking at the world with wonder. Be it on the water or in the mountains or in an arena, her fun was found in ensuring those around her were making memories; she succeeded. She touched so many lives and she will not be forgotten.

Memorial service will be held at 11:00 a.m. on Monday, November 11, 2013 at Jones & Jones-Betts Memorial Chapel in Wenatchee, Washington. Please express your thoughts and memories on the online guest book at [jonesjonesbetts.com](http://jonesjonesbetts.com). Arrangements are by Jones & Jones-Betts Funeral Home.

“ Your family is in my thoughts and prayers! Judy and I have known each other since grade school and have many good memories of the fun times in earlier years. Judy was a candle lighter in my wedding. She will be missed by everyone that had the privilege of knowing her. My sympathy to all of the family.

“ We have know Judy since 1991 when Denise became their Realtor to sell homes that Scott and Judy would buy and then fix up and then Denise would sell them. We came good friends with Judy and Scott. Judy and Scott got us started snowmobiling. Our kids would go out to their home and ride snowmobiles with Vicky in the grapes. Our friendship keep growing. We all started to go to Priest Lake and would take vacations up there. We all got spots at Kanisku Resort. We all would meet at Bill and Sue and play quarters and every Saturday morning we would go for ATV rides, Bill was always the Lead Cow. Unfortunately Kanisku shoot down and We bought a place at the lake and the rest moved up to Lake Roosevelt where Judy and Scott made a new place for people to come up and love!!. We had just started getting close again to Judy and Scott when Judy passed away. Damn Live is to short. Just when we thought we would be great friends again Judy had to pass away. Judy we will always remember your smile and everything that you and Scott help us with. WE LOVE YOU AND YOU WILL BE ALWAYS IN OUR HEART!!

LOVE YOU
