“ Judy and I built a friendship over the years through the grandchildren we have in common. I'm thankful for the countless chats we had, times at school lunches with our grand-daughters, and field trips we both attended. Judy put everything she had into her family. They meant the world to her and she meant the same to them. We will miss Judy dearly! In time, we hope happy memories bring comfort to her loved ones.

“ *Judy was so devoted to her family and had such patience with the little ones, the loves of her life. I have great memories of Jaden and I visiting with the grandchildren. She had such an amazing variety of flowers and I will treasure the hibiscus start she gave me. Judy will be missed.*
