

Katherine "Moira" McPhee

May 5, 1930 - June 27, 2023

On Wednesday June 27th, Mom left this earthly home that was blessed to have shared her for 93 years.

Katherine "Moira" McPhee (Fletcher) was born in Dunoon Scotland May 5, 1930.

As a young woman, she studied music at the Glasgow Conservatory, becoming an accomplished pianist. This would prove an integral part in meeting the love of her life.

She immigrated to the United States and settled in Seattle, where her sister resided, to assist after the birth of her nephews. It was while there that she applied for work in a local music store. Shortly after, the young woman at the counter called her brother William and told him "I think I've found the girl for you"!

It was a whirlwind romance, which culminated in marriage just six weeks later; a testament to the saying "when it's right, it's right", as they would have celebrated their 70th wedding anniversary this August, just two days after Dad's 100th birthday! They were the very best of very best friends.

Mom loved music. She bought her first piano with money she had saved and the same piano filled our home with music as we grew up.

She loved her beautiful flower gardens, and was a friend and defender of all creatures. A consummate dog lover, she treasured many through the years, but it was her last little terrier Oliver that truly owned her heart. She was a fixture at Riverfront Park, where she and Dad would go to walk and visit with

all of Oliver's friends. She was so pleased to have been painted into a mural there, complete with her favorite pup.

She was an active volunteer, collecting funds for various charitable organizations. She was always busy; tending her gardens, playing tennis for years, and working at the Treehouse boutique. She was an amazing baker and we grew up on her delicious pies (her pie crust remains unrivaled) and special birthday desserts.

But her truest passion in life was her family. We are all so grateful and blessed that she left having been surrounded by us all. She passed quietly and well loved.

Mom was preceded to Heaven by her beloved son Kenneth and grandson Aaron Dempsey. She is survived by her husband and William, daughters Lorna Osborne (Dean), Valerie Villeneuve (Tim) and Glynis Mcphee. Also blessed to have been in her life are five grand children and nine great grandchildren, all of whom she treasured.

She will be so tremendously missed, but mostly remembered. We will see you again, Mom.

“And then my heart with pleasure fills, and dances with the daffodils”.

“ My mom was born in Scotland and made many trips over the years to visit her parents. Her sister, Winnie , was my favorite Aunt, she used to send my mother beautiful handkerchiefs for her birthday! My mom sold Community concert tickets, and sang in several musical productions over the years. She provided homes for many pets and made beautiful Christmases for her children. She was an accomplished pianist.

She had many friends over the years, and as children, we spent a lot of time in their homes! They were all such lovely women. She loved beautiful things.

Love you mom~ lorna 🌹

“ Moira was such a good friend to me. She was my neighbor for 29 years, how lucky i was. I have missed her since I moved last year, and I will miss her more now.
