“ *May God comfort all of you at this time of Your Mom? Grandmothers passing. It's a testament to the nurturing & guidance of Kathy & Bill that all of the children have done so well. I was blessed as a neighbor & young mother to have Kathy's friendship & mentoring nature to guide me in the early years. Over many cups of coffee I learned how she raised her family, sewing tips, etc. They treasured all of you & your children very much.*
With fond memories, Carol Neff

“ *The Weitzel and Yedinak family are old friends. Our children went to school with theirs,
We went to the same Church. Bill and Kathy went to our Church. Marriage Encounter at Camp Fields in Leavenworth gave us a chance to know them much better. Bill was a quality builder and do excellent cabinet and remodeling work for us.*

We lost a son and received a condolence card from Kathy, and just noticed her obituary. To the family, Bill and Kathy were loved as our Marriage Encounter partners, and are outstanding people. We offer you condolences, and were honored to have known them. .

Jim & Dorothy Weitzel and family, and a special HI from Brian.
