

Kathy C. Bryant

October 8, 1934 - January 24, 2019

Kathleen (Kathy) C. (Kennish) Bryant passed away on January 24, 2019. Beloved wife, mother, sister, grandmother and great grandmother, Kathy is survived by her spouse of 62 years, Richard Bryant; three daughters: Debbie Copsey of Wenatchee; Lisa Schauss of Wenatchee; and Lori Bryant of Scottsdale, AZ; two sisters: Carolyn Williams of Santa Rosa, CA, and Judy Wilcox of Wilsonville, OR; one brother: William Kennish of Englewood, FL; five grandchildren: Tera Draper of Monitor; Kasie Khoury and Nikki Bruggman of Scottsdale, AZ; Ben Copsey of Renton, WA; and Misty Copsey; and two great grandchildren: Tate Draper of Monitor and Braxton Bruggman of Scottsdale, AZ. Kathy grew up moving all around the U.S. but made Wenatchee her home in 1952 and for the next 67 years developed many friendships in the city. She retired from an administrative position at Wenatchee Valley College after twenty-five years. An avid collector, she loved antiques and kept a shop in the Antique Mall at Cashmere. She enjoyed rock hunting, flea markets, and the occasional trip to the casino. She was a clever and enthusiastic card player, particularly hand and foot, and crushed many opponents with grace and good humor. To all who knew her, Kathy was a special woman and there are no words to describe how much she will be missed. As per Kathy's wishers, no services are planned. In lieu of flowers, donations may be made to the American Lung Association, www.lung.org.

“ It is never easy to say good by to a loved one. It's not easy either to loose a dear long time friend. Our thoughts n prayers go out to you Dick, and to your three beautiful daughters Debbie, Lisa and Lori. Even before lil Lori was born Kathy n I n Carol Lee would pack up the BRYANT girls, the Bolinger girls n the Ohme boys n in our station wagons (before seat belts) we'd load high chairs, play pens, swim suits n towels n kids in n head for Lakeside Park at Lake Chelan! What desperation we must have felt to work so hard to spend the “day at the lake” with our six little ones. Debbie was always the responsible one, helping us moms keep track of our very busy lil kiddos. Before we'd leave for the day, popsicles would be the treat for the ride home. All the kiddos in swim suits (before air conditioning in cars), we'd roll all the windows down, which would melt the popsicles n our lil ones would have orange stripes melted down their little fronts!

We so enjoyed each other's families.

Also our trips to the Apple Blossom carnivals, over the years!

Carnivals weren't of particular interest to Kathy, so Dick would bring his “three” n by then both Ohmes n Bolingers had their third also, so nine kids n us would go to the Festival carnivals! Scary n fun times.

We are so sorry for yours and your families loss, Dick. I'll bet there are still horses in your lives. Kathy was always a great horse lover n supporter.

We're so sorry we sort of lost touch over our later years. I remember you both coming to our 50th Anniversary party n then we got to enjoy our 60th plus a couple.

You and your families are in our thoughts and prayers.
