At age thirteen, her Mom and Step-Dad moved to Albuquerque, NM. In 1954 she went to live with her Father and Step- Mother, Virginia, in Kennewick, WA. In 1989 they moved to Kip's summer cabin, next to her father, on the Wenatchee River in Leavenworth. Kip was an avid outdoor person and liked to garden, feed the deer, fish, hike, and paint. She also loved to read, which was probably why she had such a large book collection. By 2008 her husband had passed away and she sold her house and moved to East Wenatchee. Kip was always busy in her yard. She had a passion for it. She hosted Christmas parties and in the winter and was known for blowing out snow from everyone's driveway if they needed it. She will be very much missed, her smile and quick come back remarks that could make you laugh! Kip is survived by her step-daughter, Becki Maltnken; two sisters, Polly Lange and Juanita Greigo; three half-brothers, Ronald and Rollin Robertson and Terry Tenley; two half-sisters, Cindy Vickery and Virginia McKinney; and also her cats, Katie and Rosie. “ *Kip was always kind and generous to me and my children. I will not forget her strength, fortitude, and independent nature. I always found it entertaining and informative to converse with her. She will be missed. Be at peace and in comfort, aunt Kip.*
