

## Kirsha M. Dick

December 23, 1992 - July 30, 2019

Kirsha Marie Dick, 26, passed away at Central Washington Hospital due to complications of Type I Diabetes, July 30, 2019, with family by her side. She is the daughter of the late Nicole Marie Dick. Her Grandparents, Michael and Donna Dick (also mom and dad), raised her since birth. She resided in the family home. Kirsha was born December 23, 1992, in Wenatchee, WA. She attended Cashmere School District, Wenatchee High School and Westside High School. After graduating, she attended Wenatchee Valley College studying nursing.

Because of her size and personality, Kirsha was the star attraction in many weddings in her role as “Flower girl.” She was in more than five weddings by the young age of four. Kirsha always approached life and projects with a “head’s down charge ahead” attitude. Around the age of 12, out of the clear blue, Kirsha said “What is the running world record for the 100 meter dash? Let’s go to the Cashmere track and see if I can beat it!” She ran her little heart out. She loved sports including soccer and baseball (t-ball). She enjoyed playing catch and could sting your mitt when throwing her fastball. She was also a talented musician. She played the piano and attended numerous recitals. She also played the flute and was asked to play for the Cashmere City Band and rose to the occasion when asked to play a solo on the piccolo, something she had never played. She knocked it out of the park! She also took singing lessons. Kirsha had the gift of reading and jig saw puzzles. She had read over 500 books and could put together a 5000 piece puzzle, without

looking at the picture, in less than three days.

Kirsha had a true love for the outdoors. She loved skiing and snowboarding at Mission Ridge and Stevens Pass. She loved camping and hiking. Some of her favorites hikes were Lake Susan Jane, Janice Lake, Eight Mile, Fish Lake, and Pete Lake along with grand stories to tell of each. Kirsha loved horseback riding. Some of Kirsha's fondest memories were her numerous trips to Disneyland, and the WA, OR beaches with her family. She was an avid patron of the Wenatchee Valley Humane Society. At 26 years of age she had owned 36 dogs and cats and loved them all. Kirsha's favorite car was her precious Jeep Cherokee. She was a true friend to all she met. The kind of person that would give you the shirt off her back. She was always there when a friend was in need. Whether it was to talk, lend a shoulder to cry on or simply needed a ride. Even if was 3am in the morning, she was always there. Her favorite color was purple. She courageously battled her Type I Diabetes.

God saw you getting tired and a cure was not to be so he put His arms around you and whispered "Come to me."

With tearful eyes we watched you as you slowly slipped away and though we loved you dearly we couldn't make you stay.

Your golden heart stopped beating your tired hands put to rest God broke our hearts to prove to us He only takes the best.

“ Kirsha babe, can't believe your gone. I'm sorry I couldn't be there for you during your final days. I miss you so so much! You were like a sister to me, never more than a call or text away. You put a roof over my head, encouraged me when I had doubt, and comforted me when I was down. We shared many laughs, adventures, and memories I'll never forget. Love you Kirsha. You will be severely missed. ~~Erica aka Muurricaa

“ Kirsha.....Oh my, what a sweet loving and caring girl you were. You will be greatly missed by all who was lucky enough to cross your path. I am going to miss your weekly texts asking me "How you doing hon!" I have type 2 Diabetes and have neuropathy, Kirsha brought me over a foot bath massage and told me to soak my feet! Boy did that feel good!! She let my girlfriend and I come up and pick a few cherries in her orchard each year, She would go down to the Easy Street Car Wash where my mother works and ask her how I was doing when she couldn't reach me. My mother thought the world of her, Mom said she would buy a couple scratch tickets and sit down and scratch them. She enjoyed her scratch tickets mom said. Yes she did love her Jeep but I know she enjoyed driving her mom and dads Jeep too cause it was newer and had a better air conditioner!!

I never did get the chance to meet her parents but I know they were so good to her and let her live the best life she could in such a beautiful house up on the hill. She spoke highly of you folks. Kirsha, I know you are living a life free of pain and not suffering anymore, Its not fair you had to leave us at such a young age, gonna miss you sweetie, but I know you are flying high with the angels in heaven and out of pain. God Bless all your loved ones and your wonderful family!

“ She was my daughters girl flower and did a great job doing that. I have memories about her and her love for animals. She could pick up cats , dogs and bring them home, only just for a while but, by now you all guest it, they had a permanent home. I know she was happy because I went to the Wenatchee shelter over a month ago, and adopted a dog that I brought back to my home in Kent WA. I know she could be funny, and also miss behave, but that was Kirsha no one is perfect. In her Name I know she would like us to give to any animal charity, and that's what I am going to do. Gonna miss you girl. love you
