LANE KENNETH JOHNSON

DECEMBER 31, 2002 - JUNE 6, 2018

Lane Johnson, age 15 of Wenatchee passed away on June 6, 2018. Lane was born and raised in Wenatchee. He attended St. Paul's Elementary from pre-school through 5th grade with a close knit group of friends. At Pioneer Middle School he participated in football and wrestling. As a freshmen at Wenatchee High School, he enjoyed classes and was particularly drawn to his photography class which was a new challenge. He was on the Panther junior varsity golf team where he made new friends on the course.

Lane was passionate about filming with his go-pro and enjoyed posting on Youtube. Building gaming computers from the component level up was a personally rewarding endeavor. He enjoyed a multitude of activities including skiing, youth hockey, water skiing, tubing and the youth golf program. Time spent at Lake Chelan with the family boating was always a highlight. For the last two years he volunteered handing out ice cream bars to the participants in the Apple Blossom Youth Parade. When at home his cat (Sheri) was a constant companion.

Lane will always be remembered by his classmates, teachers, friends and

family for the ever-present smile and his kindness to all. He had a gentle demeanor with a subtle sense of humor.

Lane will be missed greatly by his mother Suzanne, sister Lauren, grandparents Sharron and Dennis, father Shane Brown and grandmother Debbie Finkbonner, numerous family members, classmates and many friends. His family and friends are left with wonderful memories of a life well shared. Forever Fifteen.

“ It's been 7 years. 7 years since we both got to play video games together, 7 years since we've made YouTube content and stayed up all hours of the night playing bo2. I miss you every single day, and I will never forget the memories we made together. I wish I could just get one more discord call with you, one more game session and one more friend to friend conversation. The last message you ever sent me is one I'll never forget, and it plays through my head all the time. I wish I would have seen it sooner, so maybe I could have cheered you up so you didn't feel so alone. I wish I could have done something. Seriously thank you for being the best friend, even if it was an "online" friendship. I love you lane ❤️

“ *I did not know your son, but I have a teenage boy in the valley and your description of your child sounds very similar to my own boy. They could have been good friends had they ever met. I am so very sad for your loss and can't imagine the grief you are feeling. I pray for peace in your heart as well as for your daughter and parents. Respectfully -*

“ Lane and my Alec were in Mrs. Brown’s pre-k class together at St. Paul’s. Alec ran ahead to heaven 17 months ago and I imagine the sweet childhood friendship they must be rekindling.

“ Playing golf with lane was some of the best times I have had. I enjoyed playing video games with him and talking about computers. His positivity and energetic attitude always amazed me. His YouTube videos were exceptional and entertaining. His go get em attitude has and will continue to be a inspiration for the rest of my life. Lane will be missed by many and his beautiful personality will never be forgotten.

“ *May the comfort of God guide you through this difficult time.*

Although, I didn't know Lane personally or his family, Lane and my daughter attended daycare at the Presbyterian Church on Miller St. many years ago. What a handsome young man!

I am so sorry.

Keeping you in our thoughts and prayers.
