“ Larry will always be remembered by us as our helpful neighbor when we all lived in East Wenatchee. He was a wonderful mechanic - even though our Jeep CJ5 tried his patience on more than one occasion and just a great human being to have known. We share his family's sorrow and know that in time the sadness they feel now will subside and be replaced with all the wonderful, loving memories they have of him and their life together. Our thoughts are with you.

“ We will miss Larry's great smile and his honest heart. He was our go-to man for all of our automotive needs. When we started taking our cars to Larry, we got over the fear of going to a mechanic. He was so friendly and easy to talk to--what are we going to do? We send our thoughts of love and condolence to Larry's family. We know your loss is so much greater than ours.
