

Lauren Locklyn Guzman

September 10, 1954 - December 25, 2015

Lauren Locklyn (Baird) Guzman, 61 of Cashmere, passed away peacefully on December 25, 2015. Locklyn, as she was known, was born September 10, 1954 in Wenatchee, Washington to Roland (Dick) and Constance (Beverly) Baird.

At 23 she married the love of her life, Valentin Guzman, to whom she was married for 37 years. They settled in Cashmere and together raised their seven children.

A legal assistant for most her life, Locklyn worked for many lawyers in Wenatchee but spent the last 25 years working for her dear friend Kyle Flick.

Outside of family and work, Locklyn spent her time establishing one of the top Shetland Sheepdog breeding programs in the nation. It was through her kennel, Apple Acres Shelties (originated by her mother), that Locklyn met many of her closest friends. As one of the top breeders, she was known for her sportsmanship and willingness to help other breeders in need.

Regardless of where she was or who she was with, Locklyn was full of energy and flair, and never afraid to cross the line with one of her naughty stories or jokes. She was always the center of attention and had a laugh that brought life to every room she entered.

Ever the loving mother, grandma, sister and friend, Locklyn showered her family and friends with all the love she had to give. Toward the end of her life, Locklyn rededicated her life to the Lord. She looked forward to her weekly Bible study and fellowship Sunday mornings.

She is survived by her husband, Valentin Guzman, her children, Rory Baird and wife Jodi, Rani Eakle and husband Pat, Valente Guzman, Alita Guzman, Valentin Guzman, Gardenia Guzman, Gabriel Guzman, her 13 grandchildren, her father Dick Baird, and her siblings, Dicksie-Dael Garrett, Holly Avila and Loren Baird. She is preceded in death by her mother, Beverly Baird and her sister, Madonna Joy.

Funeral Services will be held at 1:00 P.M. Saturday, January 16, 2016 at St. Joseph Catholic Church in Wenatchee, WA . Viewing will be held 1 hour prior to the service at the Church. Please express your thoughts and memories on the online guest book at jonesjonesbetts.com. Arrangements are by Jones & Jones – Betts Funeral Home.

“ From the first day I met Valentin and then the first time I remember him saying he was getting married. Locklyn was so beautiful. As time marched on, then to have their children in school. What a pleasure. Beautiful girls, (women), handsome boys, (men). So proud of the legacy that you have made Valentin and Locklyn. The Robertson's/Blomquist's will never forget the Guzman's. We consider you our family.

Although I never had the pleasure of meeting Locklyn, I was extremely touched by the enormous out pouring of love for her from all the prayers and well wishes on face book. Locklyn was a beautiful lady inside and out! May she look down and be proud of the wonderful legacy she built with her family and her sheltie family!

I wanted to use Banchory Soiled Gold & she owned him. When we got there...Bruce had to speak Spanish b/c that's all they spoke. Locklyn & Valentin were not there...so Bruce had to use his Spanish. He took 3 yrs of Spanish in school & it was Valentin relatives that were there. I only spoke English! I lost my husband to a drunk driver on his way home from fishing & Locklyn came to his memorial 1/15/11 after the dog show. Now I am going to Locklyn's memorial 1/16/16. Rest In Peace Locklyn!*

“ I told Locklyn when I was first talking to her at the dog shows. That She made me feel that I have know her all my life , because that is exactly what she made you feel. Such a beautiful wonderful soul . My sincere Condolences to her family. You get up in the morning and your first thoughts Are of Lochlyn and during the moments in the day you reflect on her and the last minutes before you go to sleep. She is greatly missed by all.

“ What a beautiful, wonderful, intelligent,
friendly, goof ball of gal she was. The second
I met her I loved her. She will be missed by us
earthlings, but cherished in heaven. Oh Lord,
you got your hands full with this one. She
most likely has all the Shelties at the bridge jumping for joy, she's
probably groomed them all. Locklyn, please give my Molly girl a big
hug for me, until we meet again, Godspeed. ..

“ *From the hills of Arkansas to the family of my sweet friend Locklyn,,I got my first male Sheltie from Locklyn,,he America on a plane and what a wonderful, happy moment in my life. He was a tri and the love of my life. At ten months of age we started obedience. By the age of 12 months he had finished his title taking high in trials at all three shows he entered..your mom was always willing to listen and offer help in any situation, this was almost 30 years ago..she was a sweet kind gentle person..loved by sooooo many*

“ My heart is so heavy as I write this to Valentin and family 😞 Locklyn was a person who lived life to it's fullest whether it be for family, friends or Shelties. She had a genuine heart and soul. Lived life with a lot of gusto. She will be missed by all whose lives she touched but the heavens will be a much brighter place I can see her now smiling and laughing just as I remember her the many, many, many times my family and I spent with her. She was taken way, way too soon but is at peace now and free of all disease. My prayers are with all of her family ❤️ Carol Sanchez

I signed a different book. We had Aussies since 1980. In 1984 we got our first Sheltie from Ruthann Smith. She was a nice girl. But waited a long to get another one. Cindy Holmes told me Locklyn had a tri puppy that was a little obnoxious. So Locklyn sent her to me. She was my heart dog from the moment she got out of the crate and she had springs for legs. That was September 2002. Thank you so much Locklyn for my heart dog. She passed on the 21 of December. I hope she is keeping you company and making you laugh. All my love and thankfulness for my baby girl. Cheryl Shick.

I met Locklyn in 1986 & her smile is what she will be remembered for. She always had a smile on her face & so full of life! I remember Bruce & I came over to breed Wendy to one of her stud dog... Banchory Solid Gold. Locklyn & Valentin were gone - Bruce who spoke Spanish did the talking. He took 3 yrs of it in High School. He told them I was breeding my bitch in Spanish-speaking & that was in 1986. We ran up high phone bills from 1985 - 1986. I lost my husband to a drunk driver on his way home from fishing & she came to his memorial 1/15/11. Now I'm going to Locklyn's memorial 1/16/16. Rest in peace Locklyn!
