“ I will always remember the night Aunt Leona stayed with me in Mtn. View, Arkansas. My uncle Doc stayed with us too and she and I kept him awake all night. She and i laughed and just had a blast. I will always have that memory of her...Just wish I could have been around her more during my life. She was a very special lady. I love you, Aunt Leona!

“ To have been blessed to have lived and learn to love the darling aunt I barely knew as a child, means more to me than anyone could know. I had to move away, but took her with me , in my heart. How I loved her and her family and how I will always do so.

“ From the time I was 10 yrs old until i was out of hi school I spent more time at Peytons home than I did at my own house. Mrs. Thomason always treated me as if I were her own son. I"LL never forget her. Love Jerry
