“ To the Bill Clark Family-  
I was fortunate enough to have Bill as a coworker & friend @ Alcoa. Bill always had a smile on his face and was always willing to help out & most of all share his knowledge about the "pots" that he worked on. He was a great teacher & took me under his wing and showed me the ropes about his job! I truly enjoyed working with him.  
God Bless the family during this difficult time-  
Sincerely-  
Carl Irwin
