

Libby Anderson

May 6, 2024

Libby Annette (Law) Anderson traveled to heaven on May 6th, where she was reunited with her brother Jeff. Libby was the brightest of lights during her life. She loved her family, husband, and grandkids more than life itself.

Growing up in Ephrata and Wenatchee, Libby went to college at WSU and moved back to Ephrata where she started a family. There, she had three sons and helped them thrive in activities like sports, 4H, and church. She was very active in her church and community. She worked for USDA for 35 years providing loans and bringing joy to farmers.

Libby married Greg Anderson in 2003 and the couple has been living at Lakeview Golf Course for over 17 years.

Libby was the best mom, grandmother, daughter, wife, caretaker, friend and human you could ever meet. Her warm, caring demeanor and infectious smile and laugh will be missed by so many.

Libby is preceded in death by her brother, Jeff Law.

She is survived by her husband, Greg Anderson of Ephrata; parents, Gordon and Sandra Law of Wenatchee; sister Kathy (Brian) Brennan of Wenatchee; sons Aaron (Lindsay) Sieverkropp, Chad (Sable) Sieverkropp, and Kyle (Kait) Sieverkropp; and her two grandchildren Ruby and Axel Sieverkropp.

A memorial service will be held Monday, May 20th at 11:00 am at Jones and Jones - Betts Funeral Home. In lieu of flowers, please consider a donation to Samaritan's Purse International in memory of Libby.

“ Thinking if you today Libby. My memories of hanging out, Outdoor Ed class where you ended up in the lake. The time spent at Lake Chelan rowing around with the radio in the inflatable boat. You had the best smile! It was nice to reconnect at our 40th High School Reunion. You will be missed.

“ I knew Libby from a fairly young age, she was friends with my older sister. Libby, Kathy and Jeff used to walk to school with my older sister, myself and my younger brother. Libby spent a lot of time at our house during our school days and would have dinner with us now and then, we had Libby convinced that we were psychic and knew when the phone was going to ring because just before it rang, my entire family would say “the phone is going to ring” and then it rang. This went on for a long time and we finally had to let her in on the secret! In the winter, she’d go ice skating with us down in the canal by our house, the ice was about 6 inches thick and solid all the way through but when we all stood in the same spot, the ice would make cracking sounds and Libby was convinced that we were going to “fall through” and she’d would take off down the canal, she had us all laughing and we had to call her back. There were so many good times in our younger days and then I had the privilege to work with Libby and Greg as the ASCS in the mid 80’s. You are missed dearly Libby, miss that smile and laugh.

“ I can’t remember how Libby came into my life at the wild age of 16 -17 —a summer we both dated guys who were friends -the summer ended and so did the guys -she went home to Ephrata I drove over to find her one day not able to grasp her being gone back to school our lives apart -I also looked her up at WSU dropped in on her at her dorm to say hi—I think that was the last time I saw Libby I was 18 -certain people when they pass leave the world a NOW different place —40 plus years since I’ve seen Libby and I’m thankful the universe blew her my way during a oh wonderful teenage summer her smile tattooed on my soul —shelly key

“ I was fortunate in my life to have met Libby while working for the USDA. She was always smiling and had a great laugh. Libby spoke about her boys often and was proud of them. She never passed up the chance to show off the grandkids and brag about them. In life you meet people that you know are truly special and Libby was one of those. My condolences to her entire family. “ I went to High School with Libby. I lost touch with her for 40 years. We reunited for the 40th reunion. We met with each other several times since then. I am so saddened by news of her passing. I have known Allen Sieverkropp since Jr. High. My condolences to the entire Sieverkropp family. Bob Jacobson

“ I had the honor of calling Libby my friend for many years. She was always a ray of sunshine that brightened our world. We shared both good times and challenging times. Our times working out at the athletic club will always bring a smile. I will miss you Libby.with Libby
