“ *Lillie Rose shared a room with my husbands once removed cousin Esther Todd. We visited her when we came to Washington from Alberta Canada for many summers. She was always very pleasant and cheerful. We missed Esther this summer as we hadn't quite made it to Washington but had a good visit with Sandy and Mark Booker, Esthers nephew and neice. Our family do enjoy Wenatchee and Leavenworth where we always stay. Sympany to your family from the Comstocks of Rosebud Alberta.*

Sorry to hear about Lillie. We only saw her a few times when we visited Esther Todd. Esther's husband, Owen, was known to our family since 1938, (Harvey & Opal Peters) also his parents, Grover & Emily Todd & brother Robert Todd.

My name is Joanne Peters Marr. I grew up by the Fish Hatchery, up the Entiat River. I married O. Paul Marr from Ketchikan, and moved to Seattle Nov. 1950.
