“ Today we celebrate your life as family and friends gather together to share, support and love one another. I will always remember you as a great story teller specifically about uncle Don and aunt Noreen. You have touched many lives over the years, shared your faith and now today we celebrate that life with the promise that you rest in Jesus loving arms and are singing with the angels. Love you always your cousin, Cindy

“ There are so many memories, we 1st met at her parents home , Gary is about 3rd cousin, anyway we became fast friends almost every weekend we were together, trips to Omak stampede, also to Vancouver Canada, times with our kids, good times and bad, she moved away a few times but when we got together it was as if no time passed, Linda had some hard times , but i was so proud of her, when her husband left she had no job skills, didn't drive and had t 2 little kits to take care of..she got job training, learned to drive got a job and bought a home always had food on the table ...she loved the Lord with all her heart, she taught sunday school ,sang like an angel , she was my friend we talked often I will miss her very much , but will see her again RIP my best friend but I have so many wonderful memories

“ Although Linda hadn't been my mother in law in over 25 years she remained a dear friend. I can still hear her laughter in my head when I remember times spent together. She loved her children and grandchildren unconditionally. So blessed that I was able to see her several times in recent months. Unfortunately a previously planned event keeps me from attending her celebration of life. May she be dancing in heaven with Bob as I write this message. Love you Linda.
