“ Linda was our neighbor on Magnolia. Even long after we moved, she stayed in touch with us and sent the kids cards. We spoke to her once in a while, but wish it had been more. She was truly a loving, amazing lady. Rare these days. She will never be forgotten.

“ Linda was our secretary and friend at Blaine elementary I. Seattle , Wa. She took care of me with candy in her drawer, always a smile and a joke. She never forgot a birthday or forgot a Xmas card. She was a bright spot in my life.
