“ I worked side by side with Linda for many years. She always was a kind and loving person. I remember specifically a couple of events that showed how thoughtful she was. There was a homeless man leaving the hospital late one evening with nowhere to go..Linda put him in her care to take him to the mission at the bottom of the hill. Another time she was late for work because on her way in she noticed a very young boy just walking along the side of a drainage ditch at 6am. She loaded the boy into her care and drove thru the surrounding neighborhood finally coming upon a house with an open front door. It was his home and the parents were grateful that Linda got involved and helped. She was just that kind and genuine person. I will miss her. My thoughts to Mark and the family.
