“ *Blessed to have spent some beautiful time with this wonderful woman. Truly a lady of heart and joy. She and George where a true blessing in my life with morning coffee and friendship over the years through college years at WVC all the way through medical schools and more.*

Honored to have been a part of her life and time together....my heart is with my wonderful grandmother. May peace be forever rich and profoundly fulfilled.

See you in the Light.....

“ Even though I only knew Lora for a few months, my life was enriched. My Dad is a resident of RiverWest so I saw Lora every morning at breakfast in the dining room. She was such a sweet lady! I so much enjoyed visiting with her and she was always appreciative when I would put an extra pump of Hazelnut syrup in her coffee. We had several good conversations about the history of Wenatchee, her home on 5th Street, mutual friends and how far out of town Dusty's was when it was built. I miss her! I'm glad I stopped by her room after she came back from the hospital and visited. Little did I know that would be the last time I'd see her. She was a sweetheart and I'm glad I had opportunity to know her. Her family are in my thoughts and prayers.
