“ It's hard to put into words the feelings I have for someone that I've known for 60 years. Loretta & I started out as freshmen together at Lindblom High School in Chicago and continued our friendship through the years and the many moves we have made. We shared good times and bad. Although the distance between us was great, the feelings were not - I could call her at any time and it felt as if we has just talked the other day. Loretta and Carl hosted my husband and I when we went to Washington in 1966 and Al and I always felt that was one of the highlights of our life. They could not have been nicer or more gracious people and we got to see and meet many members of the Koenig Family at that time. I will truly miss you, Loretta, but I know you are in God's care now. Rest in peace, dear friend - until we are all joined together once more.
