Lori was married to her husband of 40 years, Dennis Harris on January 6, 1979. They had two children and made their home in East Wenatchee. You would often find Lori driving her Mustang aka Taxi (as she liked to call it) with a car full of kids to one of her children's sporting games or various activities. Lori especially loved spending time with her grandchildren and she enjoyed going on adventures with her Croonies. Lori will be deeply missed by her family, friends, and all who knew her.

“ Aunt Lori and uncle Dennis I’m so thankful I have some memories with you and the kids, although we moved from Wenatchee in my early years of life, I sure do have some sleepover memories or play day memories at aunt Mary’s house swimming in pool and teasing her dogs (with Cassie & Michael) but the one that really stands strong (as Cassie messaged me) was when I came to your house in east Wenatchee to sleepover or just hang out and I braided all of Cassies hair in tiny braids, to this day I remember the set up and furniture if that home.,, I also have memory of always going to uncle Dennis car lot on the corner as you arrive into the city of Wenatchee. You both will be truly missed, you have raised 2 amazing children that have so much strength, our family is great and will always be here for them as you watch over as there guardian angels. RIP one thing I can say is I’m blessed that the doors of Heaven opened for you both to enter together. True Love  
❤️
