

Lorna Charlotte Dorn

May 10, 1926 - August 5, 2021

Lorna Charlotte Riggs was born in the Province of Saskatchewan Canada in 1926. Her family immigrated to the United States when she was a young girl. They bought a working farm and she attended Omak Schools. She loved all the animals on their farm but her favorite was her pet deer.

After marrying Ray Dorn in 1944 they made their home in Wenatchee where they raised their 2 daughters. The house was always full of laughter and many pool parties (some included the entire Drum and Bugle Corps) to remember. After Ray passed away in 1989, Lorna became a Master Gardener. She grew many different flowers but her favorites were her peonies and always on display. When not in the garden you would find her finishing the New York Times crossword puzzle, leaving the rest of us scratching our heads! We are thankful to the clinical staff at Colonial Vista Prestige and their loving care of mom over the past 4 1/2 years. They understood her heart and became our extended family. We will never forget them. Lorna is survived by her daughter and son-in-law Doug and Jan Haven, her granddaughter and husband Daniel and Alexandria Offer, and one greatgranddaughter Adalyn Belle. Predeceases by Patti and Ray.

There will be no services.
