“ Eleanor was a true lady; kind, gracious, and giving. I knew her through the Snohomish Historical Society and our mutual friend, Middy Ruthruff. I treasured our friendship and missed her when she moved back to Wenatchee. She was so beautiful, inside and out.

“ Eleanor was such a beautiful lady. She volunteered for Cancer Care/ Our House for several years, and I had the honor of getting to know her during that time. She was always so willing to lend a helping hand wherever it was needed. She was so kind and engaging with the cancer patients that pass through our doors. I missed her so much when she moved, but also knew she needed to be closer to family. My heart goes out to all her family, I know she will be missed.  
Sincerely,  
Becky Elwell  
Our House coordinator
