“ Margaret was always one of my favorite people! She was always so loving and kind and she gave her very best effort. I think of her every time I use one of the pot scrubbers she made for me! I know you will all miss her!

Fondly,
Jill LaRue

“ My mom was an artist at living and able to make a home anywhere she was. She was an artist in all she created. Each beaded doily was an art of love, each blanket, the Grammy jammies I still have for my grandchildren, the kitchen scrubbiest she made for everyone and so much more. Even more, she was an artist from her heart in how she loved her family, her grandchildren and great-grandchildren. I understand the pain my mom felt when she lost her mom. To have a loving Mother is one of the greatest gifts one could ever have.

I love you to heaven and back mom

“ Terry and I got to know Bob and Margaret as they helped us with our small orchard. We knew nothing about orchards and they knew it all. What a wonderful and hardworking couple! Margaret had the most beautiful smile and was always so friendly and caring. Our town lost a true Treasure. Patti Davis
