“ I was sad to read that Margaret had passed away. I worked with her at Highline School District in the computer department in the mid 60's. We later moved to Yakima. Over the years I would think about Margaret as she was always so good to me. I'm from the Wenatchee Valley and still have allot of family there. Every so often, I will look on line at the newspaper and was so surprised to see that your family had moved to Wenatchee. Thoughts and prayers to your family.

“ Dear Devin, I just wanted to take a moment and let you know that you and your family are in my prayers. I spoke with you Grandmother numerous times when we worked together, and I know how important she was to you. You are very lucky to have known your Grandma for so long. May your wonderful memories ease your sadness and help you in the coming months. Hugs, Lori DeWitz
