“ There isn't a day that goes by that I don't miss my dear cousin, Margaret! Ah, we shared so many long talks on the phone. A few years ago, when Paul and I were in Wenatchee for a Little League Tournament, we spent every day with Margaret. She came to all of the games and cheered for our Port Angeles team. Margaret introduced us to 'Dustys' and their famous burgers and milkshakes. I miss her sense of humor and her many stories about our family. She gave me a handwritten family history, dating back to the 1700's. Mostly I miss her encouragement and prayers and faith.....all of which I could count on without fail. We have afghans and quilts she lovingly made. I loved sending her English Lavender products, her favorite. Rest in the arms of our dear Lord Jesus, Margaret. I know I will see you again one day.

Loving and missing you!

“ Dear Margaret's Family,

I am thinking of you all. I already miss visiting with Margaret. I saw her a week ago Thursday on St. Patrick's Day. She was in good spirits but I am sure she was in pain. She has had a difficult few months with so many moves and all. It was confusing, I am sure. She told me last Thursday that she was ready to go to see the Lord Jesus.

She enjoyed doing pages of Bible quizzes. Her mind seemed sharp. She, like myself, was looking for "the continuing city" Hebrews 13:14. I look forward to seeing her again and rejoicing with her at the feet of Jesus. We will have a big time for all eternity.

I pray you all know the Lord as your Savior. "Jesus saith unto him, 'I am the way, the truth, and the life: no man cometh unto the Father, but by Me. " John 14:6

“ *Margaret, I miss you so much. I have been thinking about you alot. I know you are know in peace and are now comfortable. I learned so much from you and you treated me like your own child. I am so grateful for being able to work for you. I enjoyed going to work and visiting with you everyday. You helped me when I needed someone to talk to, and also acted like a Grandma to my children. I will miss you and think about you everyday.*
