“ Many years ago, George & Maria lived next door to me & I bought some furniture from them; some of it is still around. Also, in the early 80s, Don Lanphere visited George & Maria in Leavenworth & he was invited to paint something just for fun. They supplied the canvas & paints. He used several colors & drew splotches, etc. Then he signed it & when Belmont Music closed, he gave it to me as I was his asst. manager & good friend. It is still hanging on one of my walls. My family Loves it! Thank you to the Lak family for this memory! God bless all of you. Arlene Sandhop-Kimm
