“ *Marian's family,*

I do not really remember any of you, but I do recall the very fond memories my mother always had of Marian. My mother was Carol Burkholder Christoffersen who lived at Froid, MT. She always spoke of her favorite cousins one of which was Marian. She talked of going out to the Barnhardts and working the fruit harvest in the summer with Marian. I met Marian several times in my life and always found her to be full of fun. God's blessings upon you and know that like many of the Burkholder cousins who went before her, there is no doubt where she is now there is a joyous reunion.
