*Dear Bill and Family,*

*I was sorry to hear of the passing of your dear Marge today. She was such a bright, loving and elegant woman. She had a way of making me feel special every time I happen to be in town and would see her at Mass. But my memories of Marge began as a child in Wenatchee; at St. Joseph's school/parish and the Owl Drug. I especially appreciated the close friendship that she shared with my parents for so many years. She will be missed by so many, but I know that she is at peace with the Lord. I pray that your memories will bring you comfort at this difficult time. Thank you for developing the beautiful tribute video for all of us to remember Marge's life.*

*Blessings,*

*Fran (Harrington) Leitch*

“ Dear family of Marjorie, I had the honor and joy of styling your mom's gorgeous hair for almost 8 years at The Beauty Box. The smile and grace in the photo posted with the obituary is how I have and always will remember her. We laughed, we visited about all of her kids, and we enjoyed what I felt was a wonderful friendship. She was a true lady in every way. I wish to sincerely extend my deep condolence to you all as you remember Marj's life and hold your memories close. Roberta (Martin) McKay
