“ I met Mark when I was 12 years old. He introduced me to my first husband when they were both in the Air Force.

Lots of fond memories growing up together over the years.

Rest in peace, Sweetie!

Love ya, Muzz

“ Carolyn...My dear friend...So sorry to hear/see of Mark's passing. I pray for comfort, sending love for you and yours during this difficult time. I am so sorry to admit having lost touch with you over the last years. Hoping we can reestablish contact soon. I had no idea you two had actually migrated back to Washington. When you get the chance, please email me at countrycharm1@hotmail.com

Prayers and love, Vicki
