Those of you that have not seen Marlene's tribute there is history with it. The girls in swimsuits are on what was left of the dock after the flood of 48. Uncle Leo and aunt Dede along with uncle Dale and aunt Vida bought the Cougar Inn in 1947. That winter the snow was up to the roof and you could walk out the upstairs window s onto the snow. The next summer it came out of the mountains in a hurry. The basement of Cougar Inn was full of water, The docks and boat house were trashed. Jeanne, rosailie Carol Muffly Pat Kenoyer Lorreta Grentz are just some of the individual s pictured. ____*God Bless her and keep her.
