

Martin "Scot" Rennie

September 25, 1945 - December 11, 2022

Martin (Scot) Lee Rennie beloved husband, father, grandfather, brother, uncle, and friend passed away on December 11, 2022, surrounded by his children.

Scot was born to Margaret and Martin Rennie on September 25, 1945, in Yakima, WA. The oldest of five children on the family farm, he grew up appreciating the value of hard work and family. Scot graduated from West Valley High School and Washington State University before serving in the Navy.

Scot married Roberta Neves on April 8, 1972, in Ellensburg, WA and they celebrated their 50th wedding anniversary this year. They enjoyed the outdoors together and their trips to the Oregon Coast. Scot worked in the agricultural business all his life. Beginning as a produce inspector for A&P Grocery. He worked most of his career for Leffingwell and Uniroyal Chemical as a sales representative, creating some lifelong friendships.

Scot enjoyed being outdoors, hunting, gardening, and cooking. In general, anything that would get dirt on his boots and jeans. He was proud of his family and treasured his role as grandpa to Elsie and Mackinlee. He will be dearly missed by his family.

He is survived by his wife, Roberta; son David (Shayne) and daughter Janelle;

two granddaughters: Elsie and Mackinlee Rennie; and four siblings: Jane Tucker, John Rennie, Susan Barrett, and Ann Hicks. He was preceded in death by his parents.

The family would like to thank the staff at Colonial Vista Rehabilitation Center for the compassionate care they provided for Scot during his illness.

A memorial service will be held on Tuesday, December 20st, at 11:00 am at Saddlerock Evangelical Presbyterian Church.

“ When Scot was ready to retire from Uniroyal, then called Chemtura, he recommended me for the role he left. I will always be grateful to him for that because the time I spent with Chemtura was one of the best times in my career. It was a great team to be associated with, and I made some life long friends there. Scot was, a, consummate professional left some big shoes to fill. So many remarked on how helpful he was. My deepest sympathy to his family.

“ I only know Scot through his lovely daughter Janelle. Janelle worked with me and my daughter over several years at Fluor. Our hearts go out to her and the extended family. We will be thinking of you as you go through the funeral service today and will be praying for you in the days ahead.

“ Scot and I spent many years together traveling central Washinton while working for Uniroyal Chemical/Crompton. He was a good friend and took good care of his customers' needs in the agricultural chemical business. He was very well respected in the industry. When our daughter enrolled at Wenatchee Valley College, she didn't have an apartment - she was from Yakima. Scot and Roberta opened their home to her for a few weeks until she found one. I will never forget their generosity. Prayers for his family.

I knew Scott from our 25 year association at Uniroyal! I always enjoyed his dry wit and candid conversations as he was never shy about telling our management, me included, when we were wrong!!! I know he was a devoted family man, a total professional and a friend to many. My thoughts and prayers go out to the entire Rennie's family!

“*Scot was a great friend. If you had questions about gardening or lawn care, he had the answers. He was a great cook for our Mexican Train girls. He always shared his awesome tomatoes with us. Otto and I enjoyed his sense of humor. Our love and prayers for his family.*”
