“ I have several memories of my Grandma I dont know where to begin! Grandma was an awesome lady who really loved and cared about her family! She was always there for me and my boys...she was my rock! I remember before my husband passed away she had our boys for awhile and I remember having grandma come down so we could get some groceries for her to help out! Long story short i remember John and the boys putting stuff in her cart they thought shed like and not tell her...it took awhile before she knew what was going on but i remember being out at lunch and her bringing it up we all had to laugh! Grandma just had a way about her that could make you chuckle...shed say just about anything LOL youd never really know!  
WE LOVE YOU GRANDMA SO VERY MUCH AND WE MISS YOU!  
THANK YOU FOR ALL THE WONDERFUL TIMES WE HAD TOGETHER I WILL CHERISH THAT FOREVER!!  
LOVE RHONDA

LE

“ I remember so many PRICELESS family moments...always making a birthday cake for EVERY family member, and the cousins would always get a gift for Children's Day.
