“ I send my sincere sympathy to all the family on Mary's passing. I tried to contact her several times in the last couple of years but she didn't respond and wish we could have corresponded. I did see Pinky at the last class reunion and was glad to get an update at that time. I remember her family being a second home for some time while we were in school together and so often think of the good times at you home. Thanks and God Bless her and your family.

So sorry for your loss. I am not sure if you knew this but when Dan and Mary and Mike and I were young and raising our families we asked Dan and Mary to be our sons godparents, they agreed, our sons middle name was named after Dan. I have lots of great memories of those days. I am hoping that your good memories will help you through the coming months and years.

Love to your family
